- A personal site made using HTML CSS JS.
- See it at - [Link](#)

PARTICIPATIONS AND ACHIEVEMENTS

- **HashCode**
 - Got global rank of 2685 in 9231 participants.
 - Gained 1709765 points.
- **Reply challenge**
 - It was competitive programming event . We had been given a task to come up with an idea to solve particular real life problem.Our team got ranked 480th among 3124 teams worldwide.
- **Google Kickstart**
 - Got ranked 2850th in google kickstart round G 2021.
 - Got 5629th in google kickstart round F 2021.
- **CodeChef**
 - Got global rank of 9 in codechef starter 14 div3.
 - Got global rank of 11 in codechef starter 15 div3.
 - Got global rank of 30 in November Cook-Off 2021 Div1.
- **CodeForces**
 - Got global rank of 656/12947 in Codeforces Round 755.
 - Got global rank of 972/28450 in Codeforces Round 746.

TRAINING / COURSES

- **Learn C++ programming (Udemy)**
 - Learnt features of C++ 11 , Exception Handling and STL.
- **Mastering Data structure and Algorithm**
 - Learnt, Analysed and Implemented Data Structure using C and C++.
 - Learnt Recursion and Sorting.

CP AND HACKATHON PROFILES

LeetCode - champg007

Codechef :- 5 star

CodeForces - Specialist

Google Competitions Profile

Solved 1000+ coding problems on various online coding platforms.

SKILLS

C

C++

Python

Html, CSS

JavaScript

BootStrap

ReactJS

NextJS

VueJS

ChartJS

Sass

APIs

SQL

Git/Github

Bash

Figma

Agile

UG COURSES
